
INVESTINDUSTRIAL IS RECOGNISED AS THE BEST LBO FUND IN ITALY FOR THE THIRD CONSECUTIVE YEAR AT THE PRIVATE EQUITY EXCHANGE SUMMIT

4 December 2014 – Investindustrial has received the Gold Award as Best Italian LBO Fund for the third consecutive year and the fourth time overall at the recent awards ceremony in Paris hosted by Private Equity Exchange.

Investindustrial also received the Silver Award as Best Spanish LBO Fund.

The category winners were selected by a jury comprised of leading institutional investors. Private Equity Exchange is one of the largest private equity conferences in Europe with 1,100 participants.

This recognition of our long-term results and industrial approach to private equity means a great deal to us.

Investindustrial is a leading Southern European investment group with more than €3.0 billion of assets under management, which provides industrial solutions and capital to mid-market companies in Southern Europe. Its mission is to actively contribute to the development of the companies in which it invests, by creating growth opportunities and offering global solutions through an entrepreneurial pan-European vision. Certain companies of the Investindustrial group are authorized by, and subject to regulatory supervision of, the FSA and the JFSC in the United Kingdom and the CSSF in Luxembourg.
